

S7 Consortium of Sixth Form Colleges Friday 12th June 2026

Arriving at Royal Holloway

Maps

A campus plan is available [here](#).

Please use the campus map to find your way around campus. There will be some S7 Consortium event signage but this will be minimal in compliance with University policy. It may be useful to save a copy of our campus map to your phone so you have easy access to it if needed.

The S7 Consortium Conference Registration will be taking place in the Windsor Building Foyer. Windsor is the orange building next to the Emily Wilding Davison Building, opposite the main Founder's building. Please aim to arrive at the foyer by 9.30am, for a 10.00am start.

Taxi companies

Windsor Cars <http://www.windsorcars.com/> (+44 1753 677677) or other Egham-based Taxi companies. Windsor Cars have a dedicated email for pre-booking journeys: bookings@windsorcars.com. Most local taxi companies know the Royal Holloway campus well and should be able to drop you at the correct area for check-in.

By Train

Egham is the nearest station to Royal Holloway. There are frequent services from London Waterloo to Egham (35-40 minutes); Woking to Egham (35 minutes, change at Weybridge) and Reading to Egham (40 minutes). Train links to the rest of the rail network are available via the London stations or Reading. Please visit: <http://ojp.nationalrail.co.uk/service/planjourney/search> for timetables and journey planning options. There are usually taxis waiting outside the station which can take you to the campus. Alternatively, you could walk to Royal Holloway in 15-20 mins; see below.

By Foot from Egham Station

The campus is a 15-minute walk from Egham Station. The easy route, via the A30: Turn right out of the station along Station Road and walk about 100 yards to the junction and traffic lights; turn left at the junction and follow the road around to the large roundabout with a petrol station on the left; walk up Egham Hill (A30) and follow the footpath; the Royal Holloway entrance is on the left just after the second footbridge.

By Car

Royal Holloway is on the A30, 19 miles from central London and about a mile south-west of the town of Egham. It is 2 miles from Junction 13 of the M25 (London Orbital). After leaving the motorway take the A30 west, following the signposts to Bagshot and Camberley (this is the Egham by-pass). At the first roundabout, take the second exit; at the second roundabout, again take the second exit and continue on the A30 up Egham Hill. The College is on the left at the top of the hill.

The SAT NAV post code is TW20 0EX.

Car Parking Arrangements

The [car parking campus plan](#) shows a variety of car parks on site and specific direction can be found to car parks by clicking the car park name on the right-hand side of the map..

In the first instance S7 visitors should park in either Car park 12 or Car Park 4. Delegates will be able to walk the short distance to the Windsor Building.

In the event that these car parks are full delegates should try either Car Park 8 or Car Park 14 – please note these car parks are slightly further away from the Windsor Building, but are still walkable. Ultimately, delegates can use any car park on campus as long as they park in marked bays, display a blue badge if using a disabled bay and observe any parking restrictions e.g. reserved bay or drop off only.

Drivers will not need to register their vehicles in advance for this event and therefore the car park signage requesting visitors to register their vehicles does not apply.

As car parking spaces are free of charge, they cannot be booked and are allocated on a first come, first served basis. Please note no parking is allowed on the roads by the Halls of Residence, or in the reserved bays along the west side of Founder's (opposite the hockey field). Cars must also not park on Bakeham Lane opposite the University exit as this causes a hazard to other drivers.

Please note: All parking must be legal and in line with the University's parking regulations, or Penalty Charge Notices will be issued (the University is unable to waive any notices given).

Should you require **electric vehicle charging**, you should head to car park 4 where there are public use chargers available (payment required to use).
